34

00:02:00.260 --> 00:02:01.860

38

00:02:14.330 --> 00:02:19.639

Katherine Denight (She/Her) - BCD: Afternoon, Catherine DeKnight, I'm with State BCD, and I'm withâ€¦ also with OPTA and PTN.

39

00:02:20.880 --> 00:02:26.520

Dave Jahn: Nice, welcome, Catherine. And Iâ€¦ I think that's everyone.

40

00:02:27.170 --> 00:02:28.719

Dave Jahn: You skipped me, Dave.

41

00:02:28.880 --> 00:02:30.200

Dave Jahn: Did I? Where you at?

42

00:02:30.260 --> 00:02:31.699

Melany Klemmer, City of Cottage Grove, OPTA: I'm right here.

43

00:02:31.700 --> 00:02:35.380

Dave Jahn: I hear that. Oh, Melanie, there you are.

44

00:02:35.380 --> 00:02:35.860

Melany Klemmer, City of Cottage Grove, OPTA: Yeah.

45

00:02:35.860 --> 00:02:39.010

Dave Jahn: It keeps rearranging my little tiles on my screen, soâ€¦

46

00:02:39.010 --> 00:02:40.429

Breck Cook: How could you miss Melanie?

47

00:02:40.670 --> 00:02:41.510

Melany Klemmer, City of Cottage Grove, OPTA: I know.

48

00:02:41.510 --> 00:02:42.690

Dave Jahn: Yeah. Melody!

49

00:02:42.690 --> 00:02:43.850

Melany Klemmer, City of Cottage Grove, OPTA: You owe me a beer.

50

00:02:43.850 --> 00:02:44.880

Dave Jahn: Okay, fair enough.

51

00:02:45.390 --> 00:02:55.030

Melany Klemmer, City of Cottage Grove, OPTA: Hi, Melanie Clemmer, Community Development Manager for the City of Cottage Grove. My primary role is solving other people's problems, and I'm also OPTA's treasurer.

52

00:02:55.520 --> 00:02:57.750

Dave Jahn: Very good. Thank you, Melanie.

53

00:02:59.030 --> 00:03:01.109

Dave Jahn: Now, did I miss anybody else?

54

00:03:01.300 --> 00:03:04.600

zuktj: Melanie's for hire, too, to solve other people's problems.

55

00:03:04.600 --> 00:03:06.350

Dave Jahn: Is she? Alright.

56

00:03:06.900 --> 00:03:10.299

Kylee V. VanOrman, Wasco County: She says thumbs down.

57

00:03:10.900 --> 00:03:11.870

Dave Jahn: Okay.

58

00:03:12.280 --> 00:03:23.560

Dave Jahn: Well, yeah, it's been a while since we had a meeting. Welcome back, everyone. January, it's cold down here in Southern Oregon, foggy. It's like pea soup out there.

59

00:03:24.030 --> 00:03:33.089

Dave Jahn: So, did, we'll move on to item number 2, the approval of the agenda and minutes. Did everybody get a chance to peruse the minutes?

60

00:03:33.650 --> 00:03:38.649

Dave Jahn: from our, November meeting, and we get a motion to approve?

61

00:03:39.750 --> 00:03:40.670

Serena Locke, OPTA & PTN: Motion.

62

00:03:42.000 --> 00:03:43.360

Dave Jahn: Motion by Serena.

63

00:03:43.590 --> 00:03:44.769

Dave Jahn: Can I get a second?

64

00:03:45.760 --> 00:03:51.090

Dave Jahn: So moved. Motion to approve the minutes, approved.

65

00:03:51.370 --> 00:03:55.399

Dave Jahn: Normally, we go to the Treasurer's report.

66

00:03:55.530 --> 00:04:10.570

Dave Jahn: But we, seem to be having some technical difficulty getting that this time, so we've got one for November and December. So, I guess I'd like to put a motion out there to table the reviewing of the Treasurer's report.

67

00:04:10.780 --> 00:04:12.640

Dave Jahn: Until next month's meeting.

68

00:04:15.390 --> 00:04:16.630

Dave Jahn: Motion.

69

00:04:16.630 --> 00:04:17.329

Serena Locke, OPTA & PTN: Second.

70

00:04:17.740 --> 00:04:21.740

Dave Jahn: Motion by Breck, second by Serena. Thank you, everyone.

71

00:04:23.180 --> 00:04:32.250

Dave Jahn: So, I guess we'll just keep going down our agenda items here. Could we get ICC news update from Brian?

72

00:04:33.580 --> 00:04:35.030

Bryan Imai: Absolutely.

73

00:04:35.030 --> 00:04:35.559

Dave Jahn: Thank you.

74

00:04:35.940 --> 00:04:48.389

Bryan Imai: There are a few thingsâ€¦ so, just kind ofâ€¦ I don'tâ€¦ it doesn't affect anybody here, but just so you know, the GR team is kind of undergoing a little bit of an overhaul. Gabe Mazur, who was our VP, is moving over to the membership team.

75

00:04:48.500 --> 00:05:06.550

Bryan Imai: And 3 of our regional managers are moving on to or retiring. Tim Schmidt's from the Midwest, along with Rick Hoeffey from, kind of, North Central. And then Steve Jones has been promoted to VP and Membership in the Southeast. So, it's gonna be a little bit of aâ€¦

76

00:05:06.870 --> 00:05:10.670

Bryan Imai: Shift for us as we fill those positions and kind of change things over.

77

00:05:10.940 --> 00:05:22.830

Bryan Imai: The few things that I would update you on is just a reminder that, so April 17th and 18th in Hartford, Connecticut is going to be the, if you, depending on how you're planning on using your benefits, is going to be the Chapter Leadership Academy.

78

00:05:22.950 --> 00:05:27.719

Bryan Imai: Followed by the public comment hearings, and I believe that there areâ€

79

00:05:27.960 --> 00:05:39.680

Bryan Imai: about 400 code changes that got comments that will be heard during those hearings. I haven't heard a final on how many days the hearings will be at this point, but I don't think it's going to go the full length.

80

00:05:40.110 --> 00:05:54.660

Bryan Imai: On that note, in order to activate the benefit, if you want to use it for the Chapter Leadership Academy, you'll need to file your chapter report. The portal's not open yet, but it should be open any day now, for both Part 1 and Part 2.

81

00:05:54.680 --> 00:06:03.769

Bryan Imai: And I think I've shared it, but if not, Dave, I can send you kind of the list of checklistsâ€ sorry, the checklist for additional points for Part 2, where theâ€ where the chapter can earn additional benefits.

82

00:06:03.770 --> 00:06:04.360

Dave Jahn: Oh, that'd be great.

83

00:06:04.750 --> 00:06:13.359

Bryan Imai: Yeah, I'll send that along to you, and just so everybody knows, I mean, I thinkâ€ I recently saw, kind of, a report that Iowa's chapter did to their members, and

84

00:06:13.360 --> 00:06:24.969

Bryan Imai: I think they averaged at about \$10,000 per chapter in terms of benefits if they maximized everything that they had available to them. So there's certainly things that are there, both for this year and to kind of plan out your actions for next year.

85

00:06:25.160 --> 00:06:25.590

Dave Jahn: Oh.

86

00:06:26.790 --> 00:06:45.030

Bryan Imai: ICC's still kind of in the middle of looking at the codes in terms of trying to streamline them and provide for affordability. The BRC, so the board IRC review that they've commissioned from three universities is underway. There's a link that I will put in the chat for you to take a survey if you still want to contribute to it.

87

00:06:45.030 --> 00:06:48.269

Bryan Imai: It's looking for ways to streamline the IRC.

88

00:06:48.300 --> 00:06:58.670

Bryan Imai: In ways that don't sacrifice life and safety. I think it's important to participate, both just to kind of understand what's going on, but also because I think if this is successful, it'll probably move on to other codes as well.

89

00:06:58.970 --> 00:07:14.469

Bryan Imai: And if you're on their website, the otherâ€¦ if you're on their mailing list, I guess, the other part that was announced today, but was decided back in December by the board, is that moving forward with the 2030 codes, the energy code, IACC, is going to be split into two.

90

00:07:14.810 --> 00:07:25.129

Bryan Imai: So they'll basically be the base code and an extended code. And they're looking for comments on that, and I'll put that in the chat as well, as to, you know, what should be included in each of those two codes.

91

00:07:26.140 --> 00:07:40.430

Bryan Imai: And then the last thing I would say is that I was talking to Breck about this earlier, but Region 2 is going to be hosting the AI webinar, artificial intelligence webinar, from Ed Salersa with ICC on February 17th at 10.30 Mountain, so 9.30 Pacific.

92

00:07:40.770 --> 00:07:45.319

Bryan Imai: And I will send you a link as soon as I have one available. That's what I've got. Thank you, Dave.

93

00:07:45.320 --> 00:07:50.950

Dave Jahn: Awesome. Thanks, Brian. What's the purpose of, splitting up thatâ€¦ the code, like you were talking about?

94

00:07:52.410 --> 00:08:04.170

Bryan Imai: So I haven'tâ€¦ I went out this morning, so I haven't read through the scope, but I think the idea, again, is to take the energy code and have a base code, and then

95

00:08:04.480 --> 00:08:19.549

Bryan Imai: essentially a stretch code, or the extended code is going to be things that are more related to getting to, looking at embodied carbon, looking at, net-zero buildings, things like that, but that would be in the extended code, not necessarily in the base energy code.

96

00:08:20.210 --> 00:08:21.150

Dave Jahn: Interesting.

97

00:08:22.170 --> 00:08:23.739

Dave Jahn: Awesome, thanks, Brian.

98

00:08:24.140 --> 00:08:25.199

Bryan Imai: Oh, Adelaide?

99

00:08:25.830 --> 00:08:36.940

Adele Schaffeld-Malheur County: Brian, sorry, I just wanted to ask, Jack had said that the registration for the Leadership Academy was going to open up today. Is thatâ€¦ do you know that? You weren't at the two meetings, so I was going to ask.

100

00:08:36.940 --> 00:08:39.720

Bryan Imai: Yeah, I looked at it this morning, and I didn't see it open yet.

101

00:08:40.890 --> 00:08:42.410

Bryan Imai: But let me look real quick.

102

00:08:42.649 --> 00:08:47.879

Adele Schaffeld-Malheur County: And then, Breck, on the energy code, I chaired ICC's Energy Code Ambassador Program when

103

00:08:47.999 --> 00:08:52.909

Adele Schaffeld-Malheur County: It was a long time ago, but it's because it's political. Energy has become political.

104

00:08:53.400 --> 00:09:07.279

Adele Schaffeld-Malheur County: And, sorry, I know you can't say that, Brian, but we have states unadopting because of the energy code, and where it's going and how political it's become, no different than here in Oregon, so in order to save minimum requirements, they're separating those out.

105

00:09:08.450 --> 00:09:11.849

Adele Schaffeld-Malheur County: Is that true, even though you can't say it, Brian? Is it political?

106

00:09:13.460 --> 00:09:14.495

Adele Schaffeld-Malheur County: Yeah.

107

00:09:16.330 --> 00:09:20.400

Adele Schaffeld-Malheur County: I hate the energy codes, because it's about money, and it's not about doing the right thing.

108

00:09:20.640 --> 00:09:23.900

Adele Schaffeld-Malheur County: That's what I've learned after all these years of being involved in the energy.

109

00:09:24.560 --> 00:09:27.020

zuktj: Don't worry, Brian, this is not being recorded.

110

00:09:28.040 --> 00:09:30.970

Bryan Imai: It just told me it was, Ted.

111

00:09:33.450 --> 00:09:38.200

Bryan Imai: I'm looking at the page now, Adelle. I don't see the registration for the Chapter Leaders Academy yet.

112

00:09:38.880 --> 00:09:41.159

Adele Schaffeld-Malheur County: My concern is just getting the hotels, you know, that'sâ€!

113

00:09:41.160 --> 00:09:42.050

Bryan Imai: I understand.

114

00:09:42.310 --> 00:09:44.790

Adele Schaffeld-Malheur County: Getting them booked up and everything, soâ€!

115

00:09:47.850 --> 00:09:48.720

Dave Jahn: Okay.

116

00:09:49.050 --> 00:09:58.929

Dave Jahn: Alright, well, let's move on to item number 5, Madison. Real quick, Madison, your last name has changed. Do you have good news?

117

00:09:59.370 --> 00:10:03.110

Madison Burton - BCD: Yes, I, it's a good thing. Yeah, I gotâ€! I got married this summer, so it took.

118

00:10:03.110 --> 00:10:04.180

Dave Jahn: Oh, congratulations.

119

00:10:04.180 --> 00:10:11.319

Madison Burton - BCD: Thank you! Yeah, so, took a little while to get everything changed, so, but yeah, soâ€¦

120

00:10:11.490 --> 00:10:11.850

Dave Jahn: Nice.

121

00:10:11.850 --> 00:10:12.540

Madison Burton - BCD: stuff.

122

00:10:12.810 --> 00:10:14.460

Dave Jahn: Well, I digress.

123

00:10:14.880 --> 00:10:16.959

Dave Jahn: Do we have any BCD news updates?

124

00:10:16.960 --> 00:10:33.210

Madison Burton - BCD: Yes, I do have a few things to share. Let's see here. So, the Oregon Design Criteria Hub tool that we have, that has been updated to include the 2025 OSSC application, so,

125

00:10:33.350 --> 00:10:45.779

Madison Burton - BCD: Just so you are aware on that, and I can put, if it's helpful when I'm done talking, I can put the links to everything here in the chat, or send in a follow-up email, whatever's easier, but,

126

00:10:45.970 --> 00:10:47.739

Madison Burton - BCD: I can just put them in the chat, if that works.

127

00:10:47.740 --> 00:10:48.399

Dave Jahn: Okay, sure.

128

00:10:48.400 --> 00:11:05.039

Madison Burton - BCD: Okay, okay, great. And then, let's see here, 2025, code update training, so code up to training for 2025 OSSC, is available now, so, folks should have gotten the email on that from us.

129

00:11:05.040 --> 00:11:12.929

Madison Burton - BCD: You should be able to access the video and the materials, but I'll put the video, here, too, in case you have not seen that yet.

130

00:11:13.000 --> 00:11:23.579

Madison Burton - BCD: But I believe you have until June 1 of this year to complete that, and then, turn in your self-certification form. So, same process as before.

131

00:11:23.690 --> 00:11:38.519

Madison Burton - BCD: Let's see, hopefully folks also got the 2026, training course calendar from our training, training section, so, that should have come out. I think Dana sent that out from, from our department,

132

00:11:38.710 --> 00:11:44.870

Madison Burton - BCD: last part of 2025, and I believe the spreadsheet is due tomorrow, withâ€

133

00:11:44.980 --> 00:12:01.249

Madison Burton - BCD: with your, requests, registration, so if you needâ€ if you need that, again, I have it up right now, and I can forward it to you ifâ€ if that's not in the top of your inbox, so happy toâ€ happy to do that. You need that, Kylie? Okay, I'll do that.

134

00:12:02.510 --> 00:12:03.770

Madison Burton - BCD: Perfect.

135

00:12:04.010 --> 00:12:07.080

Madison Burton - BCD: Let's see hereâ€

136

00:12:08.450 --> 00:12:19.390

Madison Burton - BCD: Let's see, okay, thereâ€ we did have a number of, permanent rule filings recently. None of them willâ€ shouldâ€ would probably be a surprise to any of you.

137

00:12:19.390 --> 00:12:33.250

Madison Burton - BCD: The sleeping lofts and, ladders and associated means of egress, so that was filed recently. And the small home specialty code did sunset as of the first of this year, so this is sort of,

138

00:12:33.250 --> 00:12:35.400

Madison Burton - BCD: In response, and out of that.

139

00:12:35.400 --> 00:12:54.210

Madison Burton - BCD: So that's effective January 1. The wildfire, hazard mitigation section, R327, those rules were also filed, this month as well, so they've been under a temporary rule since August 5th of last year. But I can send the language

140

00:12:54.210 --> 00:12:56.350

Madison Burton - BCD: For anyone, if you'd like toâ€

141

00:12:56.350 --> 00:13:02.159

Madison Burton - BCD: Review that. Let's see here,

142

00:13:02.430 --> 00:13:24.740

Madison Burton - BCD: Let's see, 2026 ORSC promulgation process. Huge thanks again to those who have, served on those code committees. I know that seems like a ton of work. I, you know, I sat in on some of the meetings, and I know they're very long and takes a lot of effort, so we really appreciate everyone who volunteered on those.

143

00:13:24.860 --> 00:13:39.439

Madison Burton - BCD: the board, the residential manufactured structures board met last week and approved the, Fire Life Safety Code Committee's, recommendations, so I don't, my understanding is that there were no adjustments made.

144

00:13:39.440 --> 00:13:49.190

Madison Burton - BCD: to the recommendations that came from that committee. I do have a matrix, from Tony that outlines everything that was discussed and presented to the board.

145

00:13:49.190 --> 00:13:55.779

Madison Burton - BCD: It's not an official BCD publication yet, it's still an informal

146

00:13:55.790 --> 00:14:06.790

Madison Burton - BCD: tool, but if you'd like to take a look at that, I'd be happy to put that in the chat here. Can look at all the work that was done out of that committee, and what went before the board.

147

00:14:07.080 --> 00:14:23.349

Madison Burton - BCD: But Chapter 11 and Energy was not discussed at the last board meeting, so, although that committee, has also wrapped up their work, that will be discussed at the February 18th, board meeting. So, you can

148

00:14:23.610 --> 00:14:43.239

Madison Burton - BCD: Tune in to those, listen in to those, but Chapter 11 will be the primary topic at the February 18th Residential Manufactured Structures Board meeting. So, so, to note, you won't see any energy provisions in that matrix if you take a look at that. It'll just be the structural fire life safety items.

149

00:14:44.250 --> 00:14:52.079

Madison Burton - BCD: Let's see here, oh, yeah, I was gonna, mention that,

150

00:14:52.080 --> 00:14:57.460

Madison Burton - BCD: There was a contractor selected for the, local housing improvement

151

00:14:57.460 --> 00:15:15.979

Madison Burton - BCD: study, that's being conducted through HAPO, the Housing Accountability and Production Office, so they're looking at, local barriers to housing production in communities across the state. That contractor, is Eco Northwest, and they are going to be, reaching out to folks

152

00:15:16.110 --> 00:15:27.089

Madison Burton - BCD: to, get perspectives on what, what communities are experiencing. So, I did give them the contact information for, sort of, each of the

153

00:15:27.090 --> 00:15:44.559

Madison Burton - BCD: coordinators for the regional meetings that I attend. So youâ€¦ some folks here might getâ€¦ might get a direct email from them asking for your participation, and then you can share that as you see fit with, you know, the folks thatâ€¦ that attend your meetings. But it would be Eco Northwest, so if you get aâ€¦

154

00:15:44.560 --> 00:15:47.069

Madison Burton - BCD: Message from them, that's what that's about.

155

00:15:47.200 --> 00:15:53.609

Madison Burton - BCD: So I know they really appreciate your input. I don't know, I don't know when they're going to be doing that, but, likely soon.

156

00:15:54.410 --> 00:16:08.720

Madison Burton - BCD: Let's see hereâ€¦ Electrical news, the 2026 OESC, is, is underway. A code committee's been chosen to, to work on that.

157

00:16:08.720 --> 00:16:19.499

Madison Burton - BCD: And they have aâ€¦ six meetings scheduled starting next month, so they'll be working on that. I believe they received a dozen proposals, for the electrical codes, so we'll be going through that.

158

00:16:19.890 --> 00:16:32.469

Madison Burton - BCD: Plumbing, they're following a similar, process for the OPSC code change, 2026 OPSC code change. They received 15 proposals for plumbing code.

159

00:16:32.600 --> 00:16:37.410

Madison Burton - BCD: And they did haveâ€¦ there was a Plumbing chiefs meeting last week, I don't know if anyone hereâ€¦

160

00:16:37.640 --> 00:16:56.660

Madison Burton - BCD: attends those, or, is able to attend, but they have some great discussion. So if you haven't received the invites for the Plumbing chiefs meetings, and you'd like to attend, or you'd like to send somebody, let me know, and I can make sure you get on the invite list for that. There's also, jumping ahead to mechanical a little bit, there's also a mechanical chiefs meeting.

161

00:16:56.720 --> 00:16:59.799

Madison Burton - BCD: That Mark is holding on a quarterly basis.

162

00:17:00.050 --> 00:17:05.069

Madison Burton - BCD: So, if you'd like to attend that, let me know and I can help get you connected to that.

163

00:17:06.720 --> 00:17:17.520

Madison Burton - BCD: Jumping back to plumbing really quick, on that course schedule that came out from, Dana in the training section, I believe she included the Medgas course.

164

00:17:17.520 --> 00:17:28.840

Madison Burton - BCD: So there is a Medgas cert, course that's open now and scheduled for March 24th. I think it goes through the 26th of March, it's a few days, but it's live and in person in Tualatin.

165

00:17:28.980 --> 00:17:31.749

Madison Burton - BCD: So, justâ€¦ Keep that in mind.

166

00:17:32.440 --> 00:17:41.540

Madison Burton - BCD: I don't know if I shared with this group that we do have an updated rainwater harvesting document, so, water reuse.

167

00:17:41.540 --> 00:17:54.279

Madison Burton - BCD: resource. So, some jurisdictions have had that come up recently, where they've hadâ€¦ they've seen folks coming in and wanting to install those kind of systems, and so, if that would be useful to you, and you haven't been

168

00:17:54.660 --> 00:18:00.339

Madison Burton - BCD: seen it yet, I'll justâ€¦ I'll just put it in the chat here. We have a digital copy, if you'd like to take a look at it.

169

00:18:02.040 --> 00:18:21.939

Madison Burton - BCD: And almost done. A couple updates on the BESA, the Building Evaluation Support Agreement. We did have a couple more jurisdictions sign on to that recently, so City of Bend just joined, and then Clatsop County just joined, too. So, let me know if you have

any questions, or if you're working through that in your jurisdiction. Happy to help.

170

00:18:22.180 --> 00:18:35.849

Madison Burton - BCD: And then, update on board meetings, upcoming board meetings. The Electrical and Elevator Board meets on the 22nd of this month at 9 30, and that's online. And then, Building Code Structures Board meets on the 4th of February.

171

00:18:36.060 --> 00:18:41.000

Madison Burton - BCD: And that's obviously also online. So, I think that's it.

172

00:18:41.540 --> 00:18:45.570

Madison Burton - BCD: For me, unless anybody has any questions for me.

173

00:18:50.540 --> 00:18:52.980

Madison Burton - BCD: Otherwise, I'll just start putting stuff in the chat.

174

00:18:53.170 --> 00:18:57.249

Dave Jahn: Awesome. Well, awesome. Thanks, Madison, unless anybody has any questions.

175

00:18:58.650 --> 00:19:01.530

Dave Jahn: A lot of a lot of exciting stuff happening up there.

176

00:19:01.830 --> 00:19:04.639

Madison Burton - BCD: Yeah, one more thing, I forgot to,

177

00:19:04.750 --> 00:19:18.329

Madison Burton - BCD: throughout there is we are mapping out our 2026 outreach calendar, so sort of where we're going to be in the state, and I talked to Kylie a little bit about it, too, but if there's anything that's happening in your community, career fair, and

178

00:19:18.330 --> 00:19:25.320

Madison Burton - BCD: outreach opportunity, anything like that, that you, you might like BCD to be there too, feel free to let me know.

179

00:19:25.320 --> 00:19:30.339

Madison Burton - BCD: And if we can make it happen, we'll definitely, try and be there. So, trying to

180

00:19:30.340 --> 00:19:41.380

Madison Burton - BCD: to get to more places throughout the state this year. So, let me know if you come across anything. Yeah, we actually

do have something coming up. I was going to bring it up in our open discussion section, the careers and gear thing, so I'llâ€¦ Yeah, okay.

181

00:19:41.380 --> 00:19:44.079

Dave Jahn: We can discuss it, when we get to the end of our meeting.

182

00:19:44.080 --> 00:19:45.079

Madison Burton - BCD: Okay, sounds great.

183

00:19:45.080 --> 00:19:48.509

Dave Jahn: Also, quick question about the, like, the rainwater harvesting. So, is thatâ€¦

184

00:19:48.510 --> 00:19:48.980

Madison Burton - BCD: Yeah.

185

00:19:48.980 --> 00:19:51.170

Dave Jahn: There's rules that apply to that, or that's aâ€¦

186

00:19:51.800 --> 00:20:07.319

Madison Burton - BCD: there's just guidance. I believe the original document was a very old. I think it was, like, 09. There was a water reuse document pamphlet, and so it's just beenâ€¦ it's just been updated, so there's new, new.

187

00:20:07.740 --> 00:20:08.810

Dave Jahn: New guidelines.

188

00:20:08.810 --> 00:20:11.250

Madison Burton - BCD: Yeah, guidelines and visuals, yeah.

189

00:20:11.250 --> 00:20:14.000

Dave Jahn: How much they can store, and how they have to do it, type of thing, orâ€¦

190

00:20:14.000 --> 00:20:16.929

Madison Burton - BCD: Yeah, just general guidance. I'll put it in here, and you can.

191

00:20:16.930 --> 00:20:17.330

Dave Jahn: Awesome.

192

00:20:17.330 --> 00:20:18.500

Madison Burton - BCD: Yeah.

193

00:20:18.500 --> 00:20:22.499

Dave Jahn: Because I do come across that every so often in my rural inspections, soâ€¦

194

00:20:22.500 --> 00:20:23.540

Madison Burton - BCD: Yeah. Okay.

195

00:20:23.540 --> 00:20:24.849

Dave Jahn: Curious about that, soâ€¦

196

00:20:24.850 --> 00:20:26.290

Madison Burton - BCD: Yeah, I'll put it in the chat.

197

00:20:26.290 --> 00:20:27.500

Dave Jahn: Great. Thanks, Madison.

198

00:20:27.960 --> 00:20:28.950

Kylee V. VanOrman, Wasco County: Madison?

199

00:20:29.130 --> 00:20:29.690

Madison Burton - BCD: Yeah.

200

00:20:29.690 --> 00:20:46.769

Kylee V. VanOrman, Wasco County: thoseâ€¦ the updated, documents like that, like the rainwater, catchment systems, are we able to order the actual pamphlets from BCD like we used to, or do we have to just print them offline? Because we used to be able to get some, like, pamphlet things from you guys, but that was when I was at State Office, soâ€¦

201

00:20:46.770 --> 00:20:48.419

Madison Burton - BCD: Okay. Do you guys still print those?

202

00:20:48.800 --> 00:20:55.719

Madison Burton - BCD: You know, I have a stack of them on my desk, so we have printed copies, so we could figure out a way to get it to you.

203

00:20:55.720 --> 00:21:01.060

Katherine Denight (She/Her) - BCD: Serena, isn't that what I just dropped at your office when I was down there? Was it the rainwater ones?

204

00:21:01.500 --> 00:21:03.110

Katherine Denight (She/Her) - BCD: It's like â€¦ I don't know Serena's home.

205

00:21:03.110 --> 00:21:03.510
Madison Burton - BCD: Yeah.

206
00:21:03.670 --> 00:21:04.430
Katherine Denight (She/Her) - BCD: Yeah, I'm pretty.

207
00:21:04.430 --> 00:21:09.599
Serena Locke, OPTA & PTN: Oh, yeah, I think that's totally it. Let me go walk to the lobby to verify.

208
00:21:10.350 --> 00:21:16.619
Kylee V. VanOrman, Wasco County: Yeah, because sometimes it's just nice to have those pamphlets that are a little more clean and easier to manage.

209
00:21:16.620 --> 00:21:19.329
Madison Burton - BCD: Yeah, I'm sure we can just send them to you, Kylie, I'll just make a note.

210
00:21:19.830 --> 00:21:21.330
Kylee V. VanOrman, Wasco County: Cool! I like it.

211
00:21:23.240 --> 00:21:24.040
Dave Jahn: Cool.

212
00:21:25.280 --> 00:21:26.130
Dave Jahn: Alright.

213
00:21:27.190 --> 00:21:31.639
Dave Jahn: Well, we'll move on to our next line item there, but Serena's gone, soâ€¦

214
00:21:32.390 --> 00:21:35.650
Dave Jahn: We can, we'll come back to Serena.

215
00:21:36.010 --> 00:21:39.340
Dave Jahn: Oh, there she's back. Hi, Serena! Oh, there she is!

216
00:21:41.020 --> 00:21:42.029
Dave Jahn: Look at that.

217
00:21:48.600 --> 00:21:51.649
Serena Locke, OPTA & PTN: I think it has Madison's personal cell on the back here.

218
00:21:53.710 --> 00:21:56.310

Madison Burton - BCD: Told them not to do that. Thanks.

219

00:21:56.310 --> 00:21:59.420

Serena Locke, OPTA & PTN: I just have a toll-free number and, email.

220

00:21:59.700 --> 00:22:01.009

Serena Locke, OPTA & PTN: I'll put it in the chat.

221

00:22:04.300 --> 00:22:05.180

Dave Jahn: Thanks, Rita.

222

00:22:05.660 --> 00:22:08.709

Madison Burton - BCD: Stupid blurry things not working. Yeah, that's it.

223

00:22:08.710 --> 00:22:12.310

Dave Jahn: Looks like you're showing us some trademarked item or something, because it's all blurred out.

224

00:22:12.580 --> 00:22:19.300

Dave Jahn: So, moving on, OPTA and PTN report, do we have anything from that, Serena?

225

00:22:19.430 --> 00:22:19.930

Serena Locke, OPTA & PTN: Do you have any.

226

00:22:19.930 --> 00:22:20.550

Dave Jahn: things for us.

227

00:22:20.550 --> 00:22:22.949

Serena Locke, OPTA & PTN: I do, where'd my thing go? All right.

228

00:22:23.120 --> 00:22:38.090

Serena Locke, OPTA & PTN: It's that time of year, membership dues, so I always like to put out the, don't forget to renew your membership, with whatever chapter you're paying, whether it's OPTA or your staff for OPTA, and then, you know, membership with

229

00:22:38.200 --> 00:22:42.309

Serena Locke, OPTA & PTN: The Southern Oregon chapter, if you haven't paid your dues, let's get our dues.

230

00:22:43.800 --> 00:22:56.870

Serena Locke, OPTA & PTN: We have a class coming up February, I think, 3, 4, 5, or 3&C! yeah, 3, 4, 5, the Complete Permit Technician, with Steve Berger. It's a virtual class.

231

00:22:57.270 --> 00:23:01.110

Serena Locke, OPTA & PTN: It's, like, two and a half days in eachâ€¦

232

00:23:01.760 --> 00:23:12.920

Serena Locke, OPTA & PTN: well, theâ€¦ it's a half day each day, and then, like, a two-hour on the third day, so it's notâ€¦ it's not two and a half full days of class. They break it up because we know the permit techs get toâ€¦

233

00:23:13.330 --> 00:23:17.639

Serena Locke, OPTA & PTN: need to be at the counter and answering other emails and phone calls.

234

00:23:17.850 --> 00:23:20.200

Serena Locke, OPTA & PTN: We're looking to do the test prep.

235

00:23:20.390 --> 00:23:29.260

Serena Locke, OPTA & PTN: class for, preparing your techs for their, print tech certification class that's tentatively scheduled for March 4th.

236

00:23:30.030 --> 00:23:36.999

Serena Locke, OPTA & PTN: We're making plans for our fall education, the beginning of November.

237

00:23:37.200 --> 00:23:43.029

Serena Locke, OPTA & PTN: And we want to let everybody know that we still have the calendar updates on the Opto website.

238

00:23:43.210 --> 00:23:53.789

Serena Locke, OPTA & PTN: So if you have any classes or links for those classes that you want us to share, we will definitely, be sharing them on the website and, emailing out.

239

00:23:55.540 --> 00:23:57.730

Serena Locke, OPTA & PTN: And I think that's all I have for now.

240

00:23:58.730 --> 00:24:01.409

Dave Jahn: Well, that's fantastic. Thank you, Serena.

241

00:24:01.410 --> 00:24:02.020

Serena Locke, OPTA & PTN: No.

242

00:24:03.890 --> 00:24:11.210

Dave Jahn: So you're thatâ€¦ so you guys got a class coming up on, February 3rd, 4th, and 5th, that's the permit technician. Is that an online thing?

243

00:24:11.210 --> 00:24:13.180

Serena Locke, OPTA & PTN: Yeah, it's onâ€¦ virtual, online.

244

00:24:13.180 --> 00:24:13.780

Dave Jahn: Okay.

245

00:24:13.780 --> 00:24:21.730

Serena Locke, OPTA & PTN: We put it out, to everybody, outside of the state also. Weâ€¦

246

00:24:22.260 --> 00:24:40.220

Serena Locke, OPTA & PTN: developed a, like, a coupon code for our out-of-state ICC partners, so we shared it with Region 2, we shared it with Permit Tech Nation, so any permit techs that are not from Oregon that want to take the class can do it for the member rate, even thoughâ€¦ as long as they're a member of another ICC chapter.

247

00:24:40.450 --> 00:24:41.030

Dave Jahn: I see.

248

00:24:41.220 --> 00:24:42.380

Dave Jahn: Very nice.

249

00:24:42.380 --> 00:24:45.049

Kylee V. VanOrman, Wasco County: Can we share it with Wicked Region 2, Serena?

250

00:24:45.750 --> 00:24:49.469

Serena Locke, OPTA & PTN: I canâ€¦ do you want me to just email it to you directly, Kylie?

251

00:24:49.470 --> 00:24:51.339

Kylee V. VanOrman, Wasco County: Yeah, I can get word to Alicia.

252

00:24:51.870 --> 00:24:54.920

Serena Locke, OPTA & PTN: Oh, I don't know Alicia's email. I'm just kidding.

253

00:24:55.860 --> 00:24:56.420

Serena Locke, OPTA & PTN: I just wanna seeâ€¦

254

00:24:56.420 --> 00:24:57.259

Kylee V. VanOrman, Wasco County: What have you ever thought?

255

00:24:57.260 --> 00:24:58.860

Serena Locke, OPTA & PTN: Go to me, you don't know Alicia's email.

256

00:25:02.970 --> 00:25:04.400

Serena Locke, OPTA & PTN: I'll send it out.

257

00:25:05.310 --> 00:25:10.810

Adele Schaffeld-Malheur County: Serena, this morning on the Idaho Permit Text meeting, they shared that with their chapter when I was on their meeting.

258

00:25:11.130 --> 00:25:13.209

Serena Locke, OPTA & PTN: Aw, that's nice of Bobby.

259

00:25:13.400 --> 00:25:16.739

Serena Locke, OPTA & PTN: I did also directly email it to Bobby, so

260

00:25:17.990 --> 00:25:25.430

Serena Locke, OPTA & PTN: That's nice to know that they were doing that, yeah. I figured we can't if we're hosting it, you know, instead of it just waiting for once a year.

261

00:25:26.210 --> 00:25:27.439

Serena Locke, OPTA & PTN: Have it out there.

262

00:25:28.760 --> 00:25:41.119

Serena Locke, OPTA & PTN: And I'll do the test prep class that I'm doing in March. It'll be the same kind of thing where OPTA's gonna do, you know, we'll share it to our out-of-state partners, and that they can register for that class for the member rate.

263

00:25:43.180 --> 00:25:44.030

Serena Locke, OPTA & PTN: Thank you.

264

00:25:44.030 --> 00:25:44.650

Dave Jahn: Cool.

265

00:25:45.430 --> 00:25:46.940

Serena Locke, OPTA & PTN: Well, thank you, Serena.

266

00:25:48.130 --> 00:25:50.699

Dave Jahn: Moving on, Region 2.

267

00:25:51.440 --> 00:25:54.400

Dave Jahn: You have anything for us, Ted? Anything new and exciting?

268

00:25:54.670 --> 00:25:57.820
zuktj: I don't know about exciting.

269
00:25:57.820 --> 00:25:58.450
Dave Jahn: Maybe new.

270
00:25:58.450 --> 00:26:04.569
zuktj: I guess it's exciting. In our meeting, we had our regular meeting yesterday, we had, Jamieâ€¦

271
00:26:05.140 --> 00:26:10.080
zuktj: Winning men, I can never say that right name, right? She used the foundation,

272
00:26:10.270 --> 00:26:13.389
zuktj: person for Chemeketa, and she wasâ€¦

273
00:26:13.630 --> 00:26:26.759
zuktj: given us an update, Region 2, OPTA, a lot of, folks have givenâ€¦ Southern Oregon have given money to, Chemeketa for their Kickstart program, and for their second year,

274
00:26:28.110 --> 00:26:37.609
zuktj: student program, and she was just giving us an update on how it changed some students that were able to actually go, because they were getting so many scholarships.

275
00:26:37.900 --> 00:26:40.279
zuktj: Interesting out there, theyâ€¦ theyâ€¦

276
00:26:40.780 --> 00:26:51.169
zuktj: It's the foundation, so they handle all the scholarship money, donations that come in. There were things there for, like, DeWalt Tools that, was donating

277
00:26:51.340 --> 00:26:55.029
zuktj: So, it was kind of interesting, there was a lot that went towards construction.

278
00:26:55.440 --> 00:26:58.840
zuktj: We also had Alex Kerr on aâ€¦

279
00:26:59.250 --> 00:27:05.720
zuktj: Is the next generation manager at ICC for their technical training program.

280
00:27:06.100 --> 00:27:13.850

zuktj: Recently had, center for Technical Education campus, and

281

00:27:14.510 --> 00:27:19.899

zuktj: Oregon is added as one of the places that they're teaching now, ICC and IBC.

282

00:27:20.150 --> 00:27:30.459

zuktj: They can get, it's part of their broader classes, but the IRC and IBC is at least being, taught at some of these technical schools now.

283

00:27:30.920 --> 00:27:33.210

zuktj: What else?

284

00:27:34.120 --> 00:27:37.510

zuktj: We do have that AI webinar class coming up.

285

00:27:37.960 --> 00:27:40.560

zuktj: We'll get theâ€¦

286

00:27:41.280 --> 00:27:49.240

zuktj: blink, on that. I have it as the 17th, our meeting is on the 11th, but I have to verify what we got.

287

00:27:49.800 --> 00:27:55.750

zuktj: for the actual, and I'll get that out as soon asâ€¦ Brian,

288

00:27:56.460 --> 00:28:02.540

zuktj: parked me there to, like, actually figure that out, so I'll get that figured out today, and actually get sent out to everybody.

289

00:28:02.690 --> 00:28:08.709

zuktj: It's a pretty good class from what I hear. You know, ICC's putting it on, and it's about AI.

290

00:28:09.030 --> 00:28:14.280

zuktj: I don't know about the rest of you, like, you get things in from architects and engineers, andâ€¦

291

00:28:14.670 --> 00:28:17.060

zuktj: You can tell when it's AI, becauseâ€¦

292

00:28:17.960 --> 00:28:23.469

zuktj: Everything in their write-up may be true, just not together.

293

00:28:24.030 --> 00:28:28.090

zuktj: Comes from different parts of the code, and kind of cherry-picks, soâ€¦!

294

00:28:28.270 --> 00:28:33.709

zuktj: having something from ICC, we thought would be, you know, is a good class.

295

00:28:34.140 --> 00:28:40.600

zuktj: Mention this, to everybody, I knowâ€¦!

296

00:28:41.160 --> 00:28:45.789

zuktj: probably gonna have our Southern Oregon chapter around the end of August.

297

00:28:46.100 --> 00:28:54.889

zuktj: But if you're looking for something to do, the beginning of August, Wyoming is having their 50th anniversary celebration.

298

00:28:55.160 --> 00:29:01.210

zuktj: They have a whole bunch of stuff over there, but rodeos toâ€¦! you know,

299

00:29:01.360 --> 00:29:03.179

zuktj: fishing trips, I believe, and thenâ€¦!

300

00:29:03.690 --> 00:29:10.410

zuktj: Go out and see wild horses, a wholeâ€¦! whole bunch of things that they have planned, extracurricular stuff,

301

00:29:11.450 --> 00:29:13.180

zuktj: Sounds like a pretty good event.

302

00:29:14.530 --> 00:29:22.199

zuktj: Andâ€¦! I guess I'll leave it at that. We're preliminarily starting looking at

303

00:29:22.560 --> 00:29:26.550

zuktj: Nashville already, because, as you know, as a chapter.

304

00:29:26.900 --> 00:29:30.460

zuktj: These things take a long time, and

305

00:29:30.570 --> 00:29:33.070

zuktj: A lot of effort to put together, but

306

00:29:34.230 --> 00:29:37.609

zuktj: That's it, other than the Leadership Academy.

307

00:29:37.810 --> 00:29:39.830

zuktj: In April, Hartford.

308

00:29:41.900 --> 00:29:42.740

Dave Jahn: Nice.

309

00:29:43.040 --> 00:29:44.069

Dave Jahn: Thank you, Ted.

310

00:29:45.710 --> 00:29:49.560

Dave Jahn: Eastern Oregon, Adelaide, do you have anything for us?

311

00:29:50.780 --> 00:29:56.759

Adele Schaffeld-Malheur County: Yes, I have the update that, Kylie provided to Holly for Region 2. That's how wonderful.

312

00:29:56.890 --> 00:30:08.419

Adele Schaffeld-Malheur County: Kylie is. Our ABM was moved by our bylaws last October, so our ABM will be the 14th and 15th of May in the Dalles. We'll have a education event, and then,

313

00:30:08.610 --> 00:30:27.540

Adele Schaffeld-Malheur County: our annual business meeting, and Kylie, they let me know they did receive the check for our shared education benefit from December. So, we wrote a check for \$300, or when I say we, it's Kylie, for theâ€¦ to the Southern Oregon chapter for our shared education event. Yes. So, I hope that went well, andâ€¦

314

00:30:28.270 --> 00:30:30.120

Adele Schaffeld-Malheur County: Kylie, did you have anything else?

315

00:30:33.470 --> 00:30:35.700

Dave Jahn: That was awesome, we did receive it. Thank you.

316

00:30:36.150 --> 00:30:36.670

Kylee V. VanOrman, Wasco County: Sweet.

317

00:30:37.700 --> 00:30:42.000

Adele Schaffeld-Malheur County: And then, if anybody is going to the Leadership Academy, I'll be there. I'mâ€¦

318

00:30:42.240 --> 00:30:49.550

Adele Schaffeld-Malheur County: I don't know if they're telling me what I'm speaking on, I haven't heard yet, but if, anybody else is going, let me know so that we can all

319

00:30:49.730 --> 00:31:00.620

Adele Schaffeld-Malheur County: go together. I'm not sureâ€¦ I'm gonna try to stay for the, final actions hearing, but also remember the Women in Leadership and Code Development is before the

320

00:31:00.750 --> 00:31:07.900

Adele Schaffeld-Malheur County: Leadership Academy, so if you wanted to go to that, that isâ€¦ it's almost like 10 days of stuff in Connecticut.

321

00:31:08.770 --> 00:31:10.860

Katherine Denight (She/Her) - BCD: Adelaide, why don't we all meet in Denver?

322

00:31:11.630 --> 00:31:12.450

Adele Schaffeld-Malheur County: Again?

323

00:31:14.780 --> 00:31:18.120

zuktj: I'm saying we all get together so we can have matching outfits.

324

00:31:18.330 --> 00:31:19.340

Adele Schaffeld-Malheur County: Slow.

325

00:31:21.880 --> 00:31:22.500

Adele Schaffeld-Malheur County: Soâ€¦

326

00:31:22.500 --> 00:31:24.729

Serena Locke, OPTA & PTN: We'll pick out a cute skirt for everyone.

327

00:31:27.100 --> 00:31:28.870

zuktj: Pink and purple are my favorite.

328

00:31:28.870 --> 00:31:35.160

Serena Locke, OPTA & PTN: out of the contest. With some tulle flowers.

329

00:31:35.160 --> 00:31:44.659

Adele Schaffeld-Malheur County: I'll be attending a few of the sessions next week for the Idaho Building Officials Association. It's in Boise, so it's 50 minutes, so I'm gonna hop over there andâ€¦

330

00:31:45.010 --> 00:31:50.820

Adele Schaffeld-Malheur County: see Mr. Jack and some good friends, andâ€¦ but other than that, I don't have anything for Eastern Oregon yet.

331

00:31:52.580 --> 00:31:58.450

Bryan Imai: Adelie, real quick, so you said the 14th and 15th, is thereâ€¦ is the business meeting gonna be on the 14th or the 15th?

332

00:31:58.830 --> 00:32:06.570

Adele Schaffeld-Malheur County: The 15th. So we'll have the education the day before, and then the meeting on the 15th. But the 4thâ€¦ the evening of the 14th, we'll do some type of event.

333

00:32:06.570 --> 00:32:08.860

Serena Locke, OPTA & PTN: That you will not want to miss.

334

00:32:13.590 --> 00:32:16.609

Adele Schaffeld-Malheur County: Hopefully that makes it easier with everything piled up in the fall.

335

00:32:18.180 --> 00:32:21.920

Bryan Imai: Oh yeah, you're just up against a couple other chapter meetings, so that's great. Thanks.

336

00:32:22.750 --> 00:32:26.239

Kylee V. VanOrman, Wasco County: But we made sure not to overlap OFMA, soâ€¦

337

00:32:28.190 --> 00:32:28.950

Dave Jahn: Nice.

338

00:32:30.440 --> 00:32:32.150

Dave Jahn: Well, thank you for that, Natalie.

339

00:32:32.970 --> 00:32:41.309

Dave Jahn: Oboa, we haven't seen Steve in a while. Does anybody know anything about OBOA, or, have anything on them?

340

00:32:44.150 --> 00:32:46.179

Kylee V. VanOrman, Wasco County: I was gonna say,

341

00:32:46.360 --> 00:32:55.139

Kylee V. VanOrman, Wasco County: I was gonna say that, since I'm on the outreach committee for OBOA, but if you wantâ€¦ because you said you had a career day or something coming up there in.

342

00:32:55.140 --> 00:32:58.850

Dave Jahn: Yeah, Careers in Gear. I think it's in April, is that right, Brick?

343

00:33:00.960 --> 00:33:04.700

Kylee V. VanOrman, Wasco County: Because we can't; I don't; I don't remember; Ted, are you on our outreach committee, too?

344

00:33:06.860 --> 00:33:14.390

Kylee V. VanOrman, Wasco County: Okay, then you already have a victim that can get OBOA, the outreach Committee swag stuff if you wanted it to go there, so take and be your victim.

345

00:33:15.120 --> 00:33:16.120

Dave Jahn: Yeah, okay.

346

00:33:18.860 --> 00:33:20.110

zuktj: Yeah,

347

00:33:20.670 --> 00:33:28.310

zuktj: I know that they're looking at, I've seen an email from Matt that I'm looking at, trying to figure out what the calendar is for this year, but;

348

00:33:28.660 --> 00:33:33.679

zuktj: also conflicts with, I think their quarterly business meeting, so I'm not sure he's;

349

00:33:34.330 --> 00:33:36.920

zuktj: Not sure when he's gonna have the next meeting.

350

00:33:38.900 --> 00:33:39.840

Serena Locke, OPTA & PTN: It's;

351

00:33:45.550 --> 00:33:46.430

Dave Jahn: Alright.

352

00:33:46.860 --> 00:33:54.660

Dave Jahn: Well, so I guess that'll lead us into our open discussion for our chapter, for our chapter.

353

00:33:55.170 --> 00:33:59.539

Dave Jahn: So, we're kind of looking for some ideas about possibly doing a,

354

00:33:59.700 --> 00:34:06.319

Dave Jahn: About Southern Oregon Chapter providing a training, if anybody has any ideas, suggestions, or input.

355

00:34:06.840 --> 00:34:12.189

Dave Jahn: Definitely beâ€¦ interested in hearing that. I was thinking probably, like.

356

00:34:12.190 --> 00:34:12.750

Serena Locke, OPTA & PTN: doing this.

357

00:34:12.750 --> 00:34:14.800

Dave Jahn: maybe March or something like that.

358

00:34:16.340 --> 00:34:18.959

Serena Locke, OPTA & PTN: So, when you apply for it, justâ€¦

359

00:34:18.969 --> 00:34:29.429

Dave Jahn: As far as our ABM, we, Breck and I were talking earlier, and we want, my gosh, we have a typo on our thing. That's embarrassing. Okay, well, soâ€¦

360

00:34:29.599 --> 00:34:34.109

Dave Jahn: August 20th and 21st is the dates we've had,

361

00:34:34.299 --> 00:34:53.659

Dave Jahn: chosen for our ABM, for our seafood boil, and so, I just think it's fair toâ€¦ right now, we plan on having it at the same place in Florence. We haven't heard anything negative by anybody. If anybody has any suggestions or oppositions.

362

00:34:53.859 --> 00:34:57.529

Dave Jahn: Let them be heard, because we're gonna probably go ahead and start

363

00:34:57.719 --> 00:35:07.629

Dave Jahn: getting things reserved, and getting that thing on the boards, and you know, making sure their availability is still there. So, that is August 20th and 21st.

364

00:35:09.030 --> 00:35:09.370

zuktj: You know.

365

00:35:09.370 --> 00:35:10.090

Dave Jahn: Fuck.

366

00:35:10.090 --> 00:35:11.679

zuktj: comment on that, Dave, and Iâ€¦

367

00:35:12.280 --> 00:35:21.420

zuktj: Sorry, I'm gonna throw you under the bus here, John. John Rodriguez is on the phone, and he's part of the North Coast Building Officials.

368

00:35:21.420 --> 00:35:22.420

Dave Jahn: Yes.

369

00:35:22.420 --> 00:35:28.299

zuktj: Florence would be, I think, a good spot for us to have it again. It makes it a little moreâ€¦

370

00:35:28.550 --> 00:35:32.629

zuktj: Accessible for them to come down the coast, also.

371

00:35:32.630 --> 00:35:37.009

Dave Jahn: That's great. Yeah, I think I spoke to John a couple months ago about it, soâ€¦

372

00:35:37.320 --> 00:35:39.659

Dave Jahn: Hopefully he'll be able to show up, that'd be awesome.

373

00:35:40.110 --> 00:35:40.630

Adele Schaffeld-Malheur County: It also.

374

00:35:40.630 --> 00:35:48.339

John Rodriguez, Lincoln County: No, I'd love to be there, soâ€¦ and let the other building officials here on the North Coast

375

00:35:48.460 --> 00:35:51.779

John Rodriguez, Lincoln County: Know about it, too, soâ€¦ looking forward to it.

376

00:35:51.780 --> 00:35:56.139

Dave Jahn: That's great, that's perfect, because the new guy always has to bring the beer, so that's perfect.

377

00:35:57.160 --> 00:35:58.460

John Rodriguez, Lincoln County: I'll bring plenty!

378

00:35:58.960 --> 00:36:03.550

Adele Schaffeld-Malheur County: It works great for coming straight across the state, too, so theâ€¦ thatâ€¦ it is a good site.

379

00:36:04.100 --> 00:36:11.229

Dave Jahn: Okay, good. Yeah, we've been really happy, they treat us well, and well, I mean, you can't beat the venue. I mean, it's pretty sweet.

380

00:36:11.910 --> 00:36:20.090

Dave Jahn: Right on the coast there. Except they could dial the wind down this time for the seafood boil, so it doesn't take 3 hours to get our water boiling, that'd be great.

381

00:36:20.560 --> 00:36:33.310

Dave Jahn: Cool. Other things, as someone stated before, our membership dues are due January 1st, so if you have done so, we appreciate that, thank you. If you haven't, please do so.

382

00:36:35.370 --> 00:36:44.240

Dave Jahn: I do want to put a motion on the floor. I'd like to, I'd like for our chapter to procure some pins. We've got a great pin design, just a lapel pin.

383

00:36:44.340 --> 00:36:48.679

Dave Jahn: A little souvenir for Southern Oregon Chapter, really turned out nice. I could,

384

00:36:48.780 --> 00:36:52.280

Dave Jahn: Send a photo out, but we need toâ€¦ like toâ€¦

385

00:36:53.010 --> 00:36:57.840

Dave Jahn: Put a motion on the floor to, have a vote on procuring some funds.

386

00:36:58.270 --> 00:37:00.770

Dave Jahn: To go ahead and proceed with that purchase.

387

00:37:01.150 --> 00:37:07.490

Dave Jahn: I can't remember exactly what it was. Do you remember, Breck? We have theâ€¦ we have aâ€¦

388

00:37:07.720 --> 00:37:14.320

Dave Jahn: Not an invoice, but aâ€¦ Basically, they told us how much it would be. What was about \$400?

389

00:37:14.320 --> 00:37:14.859

Breck Cook: Oh, I thinkâ€¦

390

00:37:14.860 --> 00:37:16.450

Dave Jahn: 500 pins.

391

00:37:16.450 --> 00:37:23.260

Breck Cook: Yeah, that'sâ€¦ that's accurate. I think it was 300 pins was the initialâ€¦ was the, yeah, that was the quote.

392

00:37:23.550 --> 00:37:33.329

Dave Jahn: Yeah, they're really nice. They're about the size of a quarter, or give or take, and, really nice. They got the little tree, and they got our logo on it, and they look really nice, andâ€¦

393

00:37:33.330 --> 00:37:39.369

Breck Cook: And it's actually the sameâ€¦ it's actually the same logo that shows up on our Treasurer's report, wellâ€¦

394

00:37:39.750 --> 00:37:53.209

Breck Cook: that we didn't have this month, but in the past, we'veâ€¦ it's kind of the historical pin that the chapter has used in the past. There's some old pins kicking around from, I think, Portland 2012.

395

00:37:53.340 --> 00:37:53.800

Dave Jahn: Yeah.

396

00:37:53.800 --> 00:38:04.240

Breck Cook: They're actually a little bit smaller. Theseâ€¦ theseâ€¦ this particular, vendor, this is the size that they can provide, but they look pretty nice. Yeah. Pretty good quality.

397

00:38:04.240 --> 00:38:09.840

Dave Jahn: they're the state of Oregon with our logo, and then the ICC logo, and the nice little tree and everything, soâ€¦

398

00:38:11.300 --> 00:38:16.450

Dave Jahn: So, I guess that'sâ€¦ I'd like to put that motion on the floor that we have a vote to,

399

00:38:17.590 --> 00:38:19.269

Dave Jahn: Procure the funds for that.

400

00:38:19.770 --> 00:38:22.420

Dave Jahn: I know I'm probably doingâ€¦ I'm doing that out of order.

401

00:38:23.670 --> 00:38:25.110

Dave Jahn: Is that how we do that, Serena?

402

00:38:25.110 --> 00:38:33.320

Serena Locke, OPTA & PTN: Well, or I can say I moved to purchase 300 pins per the estimate that was submitted for the Southern Oregon Chapter.

403

00:38:33.570 --> 00:38:34.090

zuktj: Awesome.

404

00:38:34.090 --> 00:38:40.470

Dave Jahn: So we have a motion on the floor to, have a vote to buy 300 pins.

405

00:38:40.600 --> 00:38:41.510

zuktj: Second.

406

00:38:41.930 --> 00:38:45.729

Dave Jahn: Nice. So moved. We shall buy pins.

407

00:38:45.730 --> 00:38:49.069

zuktj: As long as we get some to take to Nashville with us.

408

00:38:49.070 --> 00:39:00.010

Dave Jahn: Absolutely. We were actually looking at challenge coins, too. They'reâ€¦ those are pretty neat. And we aren't gonna put dates on them, that way they're, you know, they're timeless, that way you see.

409

00:39:00.480 --> 00:39:09.010

Dave Jahn: You could write your own name on it with a Sharpie. Write your own date. Great, so moved. We will, get those ordered, and

410

00:39:09.180 --> 00:39:10.380

Dave Jahn: Everybody'll get one.

411

00:39:10.670 --> 00:39:13.110

Dave Jahn: It's fantastic. So,

412

00:39:13.330 --> 00:39:18.759

Dave Jahn: And then, we do have that Careers in Gear coming up, and that's in Medford, correct, Brett?

413

00:39:18.760 --> 00:39:19.649

Breck Cook: That's correct.

414

00:39:20.100 --> 00:39:22.749

Dave Jahn: Okay, and that was in April, I guessâ€¦

415

00:39:22.750 --> 00:39:24.110

Breck Cook: April 23.

416

00:39:24.110 --> 00:39:26.650

Dave Jahn: April 23, and soâ€¦

417

00:39:29.230 --> 00:39:35.320

Dave Jahn: I guess we want to find out if anybody wants to volunteer to be part of that. It's an all-day event, I imagine, right, at the expo?

418

00:39:35.320 --> 00:39:42.159

Breck Cook: Yeah, Iâ€¦ I think last year, Regan from Ashland, and I'm not sure, was it,

419

00:39:43.230 --> 00:39:47.890

Breck Cook: One of the otherâ€¦ the permit techs from Ashland, do you remember Serena? I can't remember.

420

00:39:47.890 --> 00:39:48.480

Serena Locke, OPTA & PTN: Thank you.

421

00:39:48.480 --> 00:39:53.029

Breck Cook: It was Kendall. It might have been Kendall, yeah, yeah. So, Regan and Kendall.

422

00:39:53.390 --> 00:39:58.820

Breck Cook: And so, I think it went well, and I know other folks that have participated from.

423

00:39:58.820 --> 00:40:00.919

Serena Locke, OPTA & PTN: Wasn't that what Nat said he wanted to do?

424

00:40:00.920 --> 00:40:02.420

Dave Jahn: I think I heard that, too.

425

00:40:02.420 --> 00:40:21.539

Breck Cook: Jackson County Fire District 3 is where I had learned about it a few years ago, and I was told that it was a really great event. It's similar to the one that we participated in. BCD was there and all when we were up at Seven Feathers, but this is more local to Bedford, and it'd probably be a couple thousand high school kids.

426

00:40:21.630 --> 00:40:25.770

Breck Cook: I don't think that there'sâ€¦ I don't think that they have that,

427

00:40:26.210 --> 00:40:30.850

Breck Cook: You know, afternoon is for veterans andâ€¦ and adult, you know.

428

00:40:31.740 --> 00:40:32.219

Dave Jahn: Brooking it.

429

00:40:32.220 --> 00:40:38.529

Breck Cook: adults looking for a job. I think this is more geared strictly toward high school students, soâ€¦

430

00:40:38.870 --> 00:40:46.179

Dave Jahn: Yeah. So, I'll send that to you, Madison, because you had mentioned that, we could getâ€¦ that's April 23, Matt.

431

00:40:48.200 --> 00:40:54.179

Dave Jahn: So yeah, I'll send you any information I get, Madison, so if you guys want to have some representation there, that'd be great.

432

00:40:54.180 --> 00:40:56.359

Madison Burton - BCD: Yeah, thank you. I think I have it, actually.

433

00:40:56.360 --> 00:40:57.060

Dave Jahn: Oh, you do? Okay.

434

00:40:57.060 --> 00:40:59.699

Madison Burton - BCD: Yeah, it's on our list, so,

435

00:41:00.130 --> 00:41:06.930

Madison Burton - BCD: But, yeah, if we're able to go, I'll sync up with you, and then maybe we can have a table closeâ€¦ close to each other, or something like that.

436

00:41:06.930 --> 00:41:08.889

Dave Jahn: Copy that. Alright, great.

437

00:41:09.000 --> 00:41:12.130

Serena Locke, OPTA & PTN: Dave, will you also include OPTA in that email, please?

438

00:41:12.130 --> 00:41:14.319

Dave Jahn: I will absolutely include that. Thank you.

439

00:41:16.040 --> 00:41:17.329

Dave Jahn: Write that down.

440

00:41:20.010 --> 00:41:24.090

Dave Jahn: Okay, so,

441

00:41:24.200 --> 00:41:32.589

Dave Jahn: I think I've covered anything that was actually on our list. Oh, we do have, there's a potential class that I understand is really good,

442

00:41:32.750 --> 00:41:35.959

Dave Jahn: That we were thinking about offering as our training.

443

00:41:36.150 --> 00:41:44.000

Dave Jahn: during our ABM, it's a, solar and fire education put on byâ€¦ What's this gentleman's name?

444

00:41:44.000 --> 00:41:47.139

Breck Cook: It's Richard Britt, or I think it is.

445

00:41:47.140 --> 00:41:54.380

Dave Jahn: Yeah, yeah, Richard Burke. Retired from, Las Vegas Fire and Rescue after 30 years of service.

446

00:41:55.020 --> 00:41:58.849

Dave Jahn: So, obviously, an absolute hero and a fountain of knowledge.

447

00:41:58.960 --> 00:42:04.740

Dave Jahn: be great to have that, so Iâ€¦ most people, I think, would like that class,

448

00:42:04.740 --> 00:42:07.229

zuktj: I would highly recommend it, Dave.

449

00:42:07.230 --> 00:42:09.140

Dave Jahn: Yeah, have you been to that one, Ted?

450

00:42:09.140 --> 00:42:20.279

zuktj: due to class in California, it was an after-the-fire event, thing they had down there, and it wasn't part of the after-the-fire thing.

451

00:42:20.580 --> 00:42:24.269

zuktj: He was teaching at a fire company that was right next door.

452

00:42:24.510 --> 00:42:25.210

Dave Jahn: Oh?

453

00:42:25.380 --> 00:42:29.650

zuktj: He does an excellent job, he's a really down-to-earth kind of person.

454

00:42:29.650 --> 00:42:30.480

Dave Jahn: Okay.

455

00:42:30.480 --> 00:42:45.220

zuktj: We'll point an inspector out of the crowd and ask them a question, and if they don't know the answer, ask them why they don't know the answer to it, and then tell them the point that it makes. It's a really, it's not your standard kind of, teaching kind of class.

456

00:42:45.220 --> 00:42:45.640

Dave Jahn: Okay.

457

00:42:45.640 --> 00:42:49.890

zuktj: It's hands-on, and I gained a lot out of just

458

00:42:50.190 --> 00:42:53.919

zuktj: Seeing it bouncing back and forth between the two things, soâ€¦!

459

00:42:54.320 --> 00:42:54.760

Dave Jahn: Okay.

460

00:42:54.790 --> 00:42:57.589

zuktj: I would definitely recommend them as an instructor.

461

00:42:57.740 --> 00:43:00.859

Dave Jahn: Okay, so sit in the back. Copy that.

462

00:43:00.890 --> 00:43:04.449

zuktj: Yeah, if you're up front, you could become a victim.

463

00:43:04.450 --> 00:43:06.760

Dave Jahn: Okay, good to know.

464

00:43:06.920 --> 00:43:21.560

Dave Jahn: Yeah, that'sâ€¦! that's good input, Ted, thank you. Yeah, so we're gonna, I guess we're gonna reach out to him and see if he'll be available to come to the coast, and if he's available, I think that's what we're gonna shoot for, for our education offering at our ABM event.

465

00:43:23.080 --> 00:43:25.090

Dave Jahn: Alright, and

466

00:43:25.280 --> 00:43:34.160

Dave Jahn: I guess I don't really have anything else. Does anybody have anything else for the good of the order? Or did I miss anything, or overlook anybody who has something to say?

467

00:43:35.480 --> 00:43:39.049

Melany Klemmer, City of Cottage Grove, OPTA: I just wanted to say I just bought my membership, so I can now vote.

468

00:43:39.500 --> 00:43:40.750

Dave Jahn: You're awesome. Thanks, Melanie.

469

00:43:41.340 --> 00:43:45.220

Adele Schaffeld-Malheur County: I, I just have something, if you don't mind, Dave.

470

00:43:45.390 --> 00:43:46.530

Dave Jahn: I don't mind at all.

471

00:43:46.680 --> 00:43:56.780

Adele Schaffeld-Malheur County: So I paid for our four memberships this morning for that and my membership toâ€¦ today was the membership renewal day, right? OBOA, or not OBOA, Idaho.

472

00:43:56.920 --> 00:44:10.029

Adele Schaffeld-Malheur County: Idaho Permit Tech's you guys, Region 2, and I went into Opta, Melanie, to renew. It says mine, it doesn't renew till January of 2027, but I haven't paid for 2026, so I wanted to make sure that I have all of us in for OPTA.

473

00:44:10.190 --> 00:44:12.539

Melany Klemmer, City of Cottage Grove, OPTA: I will check that right now.

474

00:44:12.540 --> 00:44:13.070

Adele Schaffeld-Malheur County: Okay.

475

00:44:13.070 --> 00:44:14.430

Kylee V. VanOrman, Wasco County: You hit a few times.

476

00:44:14.430 --> 00:44:16.729

Adele Schaffeld-Malheur County: I can vote, too, now, for you guys.

477

00:44:17.690 --> 00:44:20.799

Adele Schaffeld-Malheur County: Do I need to show up a day before the AVM to help set up?

478

00:44:21.490 --> 00:44:27.260

Dave Jahn: I'll let you know. I don't, I don't think so, but you're certainly welcome to.

479

00:44:28.930 --> 00:44:29.870

Gerard Marin - Klamath County: Quick question.

480

00:44:30.010 --> 00:44:34.930

Gerard Marin - Klamath County: I'm fairly new at this. I think I became a voting member

481

00:44:35.510 --> 00:44:47.390

Gerard Marin - Klamath County: about 6 months ago. To the best of my knowledge, my department has been responsible for making sure that, that my paperwork is in order.

482

00:44:47.700 --> 00:44:59.570

Gerard Marin - Klamath County: My, my building official has retired, and so we're kind of in a transition of trying to, understand everybody's roles. Do I, am I the person responsible for making sure that the,

483

00:45:00.020 --> 00:45:05.570

Gerard Marin - Klamath County: That, that membership is, is being paid, or is this.

484

00:45:06.210 --> 00:45:17.999

Dave Jahn: That's a good question. I'll have to go into the back end of our system and just see. So you said you signed up, like, last year and paid?

485

00:45:18.770 --> 00:45:25.280

Gerard Marin - Klamath County: My building officials signed me up as a voting member.

486

00:45:25.280 --> 00:45:25.830

Dave Jahn: Okay.

487

00:45:25.830 --> 00:45:30.139

Gerard Marin - Klamath County: And I remember the whole process, but as far as,

488

00:45:30.750 --> 00:45:42.789

Gerard Marin - Klamath County: do I am I responsible for making sure that that paperwork is, is, continuous, or is it just the

responsibility of the building official to carry on that, that paperwork?

489

00:45:43.190 --> 00:45:58.490

Breck Cook: Iâ€¦ I think that's probably between you and your building official, who's responsible for that, but I mean, I think from here, sort of going forward, sorry to interject, Dave, but weâ€¦ No, thank you. We had this discussion about that, becauseâ€¦

490

00:46:00.390 --> 00:46:03.029

Breck Cook: To basically, you know.

491

00:46:03.050 --> 00:46:17.170

Breck Cook: anyone that had paid previously, unless it was identified as a 26 membership, would beâ€¦ their newâ€¦ their membership would end at the, you know, December 25, and the new membership would start, January 26th.

492

00:46:17.170 --> 00:46:24.040

Breck Cook: Otherwise, we haveâ€¦ I mean, in the past, we haven't really followed up on that, and we've had people all over the board onâ€¦

493

00:46:24.070 --> 00:46:28.509

Breck Cook: on, membership dues, and probably, you know.

494

00:46:28.780 --> 00:46:42.689

Breck Cook: it made it confusing for everyone, especially the people that are trying to track all of this. So, I mean, I think you could speak withâ€¦ I can't remember her name, Gerard, but I did have some emails back and forth after,

495

00:46:43.150 --> 00:46:49.480

Breck Cook: After Alan retired, And, there was some questions reâ€¦ the same.

496

00:46:49.650 --> 00:46:55.200

Breck Cook: Sort of question had come up as far as membership dues and who was covered.

497

00:46:55.630 --> 00:47:00.939

Breck Cook: And, Soâ€¦ Probably ifâ€¦ is it Stephanie?

498

00:47:01.140 --> 00:47:01.660

Gerard Marin - Klamath County: Correct.

499

00:47:02.000 --> 00:47:16.949

Breck Cook: Yeah, sorry, took me a minute to remember her name, but anyway, I think, yeah, we had a conversation, and Iâ€ so, you definitely were paid up for 25, but 26 going forward, it probably requires, so maybe speak with her as far as

500

00:47:17.170 --> 00:47:19.719

Breck Cook: Who all needs to be included in that?

501

00:47:20.360 --> 00:47:26.340

Breck Cook: Unless I told herâ€ unless I told her otherwise, and if so, just email me, and we'llâ€ Row one.

502

00:47:27.240 --> 00:47:28.840

Breck Cook: Address it at that point.

503

00:47:29.080 --> 00:47:30.069

Breck Cook: Thanks, Dave.

504

00:47:30.070 --> 00:47:31.299

Dave Jahn: Yeah, thank you, Rick.

505

00:47:31.410 --> 00:47:33.450

Dave Jahn: Thank you for answering your question, Gerard.

506

00:47:33.900 --> 00:47:42.299

Gerard Marin - Klamath County: Yes, as soon as I'm done with this, I'll follow up with Stephanie and include Brett in the email, and make sure that everyâ€ everything isâ€

507

00:47:42.700 --> 00:47:43.650

Gerard Marin - Klamath County: Done correctly.

508

00:47:43.940 --> 00:47:51.219

Dave Jahn: Okay, yeah, cool. Thank you, Brett. Brett noticed that I was looking like a deer in the headlights there, so that's perfect. Appreciate that.

509

00:47:51.220 --> 00:47:53.149

Breck Cook: Just trying to help, Dave, just trying to help.

510

00:47:53.150 --> 00:47:54.400

Dave Jahn: I know.

511

00:47:54.700 --> 00:48:00.770

Dave Jahn: What a guy. So, I guess I don't have anything else. Anybody have anything for the good of the order?

512

00:48:00.770 --> 00:48:02.190
zuktj: Serena has her hand up.

513

00:48:02.190 --> 00:48:03.870
Dave Jahn: Oh, Serena, hi!

514

00:48:04.650 --> 00:48:05.740
Dave Jahn: What do you have?

515

00:48:05.740 --> 00:48:19.689
Serena Locke, OPTA & PTN: Well, I was just gonna speak to, like, the membership stuff. Usually, all of our members through the chapter stuff is a January through December, and the benefit of, besides just it supports the chapter,

516

00:48:19.690 --> 00:48:30.469
Serena Locke, OPTA & PTN: When you update your membership annually, it helps us keep track of who your active emails are, so that we're sending emails to people who actually are still employed in your jurisdiction.

517

00:48:30.720 --> 00:48:31.380
Dave Jahn: Oh.

518

00:48:31.430 --> 00:48:48.310
Serena Locke, OPTA & PTN: So, I know there's lots of chapter leaders on this call, and having live, real emails with the people that work in your jurisdiction makes it a lot easier for us to, track information and get the information out to, the membership.

519

00:48:48.770 --> 00:48:49.460
Dave Jahn: Yeah.

520

00:48:51.590 --> 00:48:52.149
Dave Jahn: That's true.

521

00:48:52.150 --> 00:48:53.650
Serena Locke, OPTA & PTN: That's why we're jerks about it.

522

00:48:53.650 --> 00:48:55.110
Dave Jahn: That's true.

523

00:48:55.820 --> 00:48:58.679
Dave Jahn: Comes naturally for some, huh?

524

00:48:58.680 --> 00:48:59.300

Melany Klemmer, City of Cottage Grove, OPTA: Meh.

525

00:49:01.310 --> 00:49:01.970

Dave Jahn: Okay.

526

00:49:01.970 --> 00:49:10.279

Melany Klemmer, City of Cottage Grove, OPTA: Sorry, real quick, Adelaide, you renewed your Opta membership, December 2nd, which is why it doesn't show available to you, because you've already renewed.

527

00:49:10.280 --> 00:49:11.610

Adele Schaffeld-Malheur County: Okay, wonderful.

528

00:49:11.610 --> 00:49:14.229

Melany Klemmer, City of Cottage Grove, OPTA: Oh, you'll get my Region 2 renewal, too.

529

00:49:14.260 --> 00:49:15.790

Adele Schaffeld-Malheur County: I submitted it this morning.

530

00:49:17.030 --> 00:49:19.449

Holly - Region 2 - Jackson Co, Oregon: Yes, I saw that come through, thank you.

531

00:49:19.690 --> 00:49:24.879

Serena Locke, OPTA & PTN: And Klamath renewed their Opta membership also, they already paid it, soâ€!

532

00:49:25.140 --> 00:49:29.209

Serena Locke, OPTA & PTN: Gerard, you're already ahead of the game. If heâ€! nope, he already left. Never mind.

533

00:49:32.300 --> 00:49:38.710

Adele Schaffeld-Malheur County: Thank you, for letting us have time for that. I think it's important that we support each other, so thanks for letting us talk about our memberships.

534

00:49:38.710 --> 00:49:39.790

Dave Jahn: Absolutely.

535

00:49:40.390 --> 00:49:41.890

Dave Jahn: It's a good time to do it.

536

00:49:41.890 --> 00:49:43.609

Breck Cook: Yeah, helps everybody.

537

00:49:44.140 --> 00:49:50.580

Dave Jahn: Okay, well, I guess if that's it. Do we, anything else for the good of the order? Anybody have their hand up that I'm missing?

538

00:49:51.640 --> 00:49:58.579

Bryan Imai: I don't, but just real quick, Dave, you mentioned a training in March. Are you planning on using the chapter benefit for that, and if so, are you already in contact with Ashley?

539

00:49:58.800 --> 00:50:07.299

Dave Jahn: No, I'm not in contact, but, Breck and I will discuss it with our other board members, and we'llâ€¦ not sure what our plan is.

540

00:50:08.040 --> 00:50:08.859

Bryan Imai: Sounds good.

541

00:50:08.860 --> 00:50:10.939

Dave Jahn: Alright, I'll be in touch. Thanks, Brian.

542

00:50:12.280 --> 00:50:15.780

Dave Jahn: Okay, well, do we have a motion to adjourn our meeting?

543

00:50:16.070 --> 00:50:16.910

Serena Locke, OPTA & PTN: Motion.

544

00:50:16.910 --> 00:50:17.580

Melany Klemmer, City of Cottage Grove, OPTA: Second.

545

00:50:18.120 --> 00:50:18.599

Dave Jahn: within the.

546

00:50:18.600 --> 00:50:19.989

Melany Klemmer, City of Cottage Grove, OPTA: Because I can vote.

547

00:50:19.990 --> 00:50:24.740

Dave Jahn: So moved. Well, thanks everybody for stopping by.

548

00:50:25.270 --> 00:50:26.909

Serena Locke, OPTA & PTN: I just assume I can vote, I don't know ifâ€¦

549

00:50:28.370 --> 00:50:29.479

Kylee V. VanOrman, Wasco County: exercise those rights.

550

00:50:29.480 --> 00:50:30.390

Melany Klemmer, City of Cottage Grove, OPTA: Yeah, that's right.

551

00:50:30.900 --> 00:50:32.280

Dave Jahn: Serena, you're always heard.

552

00:50:33.040 --> 00:50:34.160

Dave Jahn: That's true.

553

00:50:34.160 --> 00:50:37.420

Adele Schaffeld-Malheur County: enjoy all of you guys. Thank you for being great colleagues.

554

00:50:37.550 --> 00:50:38.540

Dave Jahn: Yeah, thank you.

555

00:50:38.540 --> 00:50:39.180

Breck Cook: Thanks.

556

00:50:39.180 --> 00:50:39.840

Serena Locke, OPTA & PTN: Alright.

557

00:50:39.840 --> 00:50:40.820

Dave Jahn: Natalie?

558

00:50:40.820 --> 00:50:41.270

Melany Klemmer, City of Cottage Grove, OPTA: Bye, guys.

559

00:50:41.270 --> 00:50:51.709

Dave Jahn: Food for thought. Does anybody else think it's odd that, so weâ€¦ you go home, you park your car in a driveway, then you go out and about, and you drive on a parkway.

560

00:50:52.740 --> 00:50:53.870

Dave Jahn: I find that odd?

561

00:50:53.870 --> 00:50:55.670

Katherine Denight (She/Her) - BCD: Dad jokes.

562

00:50:55.670 --> 00:50:59.030

Adele Schaffeld-Malheur County: Just like when you pull up to an ATM and it has a braille on it.

563

00:51:01.570 --> 00:51:11.990

Dave Jahn: My daughter came up with a good one yesterday. She said, Dad, I thought of an idea to have an ATM that only puts out change. It just makes sense, she said.

564

00:51:11.990 --> 00:51:15.449

Melany Klemmer, City of Cottage Grove, OPTA: Oh, man. Oh, man. We're just joking.

565

00:51:15.450 --> 00:51:17.629

Serena Locke, OPTA & PTN: Jealous, because you don't get to share an office with him.

566

00:51:17.630 --> 00:51:18.490

Bryan Imai: Next generation.

567

00:51:18.490 --> 00:51:23.889

Dave Jahn: Alright, thanks everybody, good to see you. We'll see you next month. Bye. Bye.
